MINISTRY OF COMMERCE AND INDUSTRY**PUBLIC NOTICES****IMPORT TRADE CONTROL**

New Delhi, the 3rd October 1953

SUBJECT —Licensing of Tallow for the period July—December 1953

No 138-ITC(P. N.)/53.—Reference is invited to the entries against Serial No. 60 of Part IV in Appendix 'A' of the Red Book for the current half year wherein it has been indicated that licences for Tallow will be granted to established importers on a quota of 30 per cent. of half of their best year's imports.

2. Representations have been received that the quantity licensed for import through established importers is not sufficient to meet the requirements of small scale manufacturers who are unable to import tallow direct against Actual User licences. It has therefore been decided that the quota for Tallow should be increased to 60 per cent. of half of best year's imports so that large quantities of imported tallow may be available for stock and sale.

3. The relevant entry in Appendix A to the Red Book for the current half year should be deemed to have been amended accordingly.

4. It is not necessary for importers who have already obtained their quota licences to make fresh applications for the additional amount. They may present their July—December 1953 licences along with the requisite treasury challan to the licensing authority concerned who will suitably amend the licence for the increased value.

SUBJECT —Liberalisation of Import Policy in respect of Biscuit and Bread making Machinery

No. 139-ITC(P.N.)/53.—The following amendment has been made to the List of Machinery specified in Appendix 'Y' to the Policy Book for the period July—December 1953, and is announced for the general information of importers:—

Delete the entries appearing against Serial No. V in the Appendix, namely.—

Food Machinery**"Biscuit and Bread making Machinery"**

2. In consequence of the above amendment, the Biscuit and Bread making Machinery will now be permitted to be imported against quota licences for "other machinery" falling under Serial No. 65(1-4) (vii)/V of the Import Trade Control Schedule.

SUBJECT.—Rubber Covered Conveyor Belting—S No. 28/11 -Policy for July—December 1953

No. 140-ITC(P.N.)/53.—The attention of the importers is invited to the entries against S No. 28(8)/II of the Import Trade Control Schedule in Appendix 'A' to Policy Book for July—December 1953 period

2. It is notified for general information that licences issued for Rubber Covered Conveyor Belting falling under S. No. 28(8)/II will be valid for the import of Rubber Covered Conveyor Belting having rubber covering all-round and the thickness of the covering being not less than 1/32 inches and generally conforming to British Standard Specification No. 490-1950 or any one of the equivalent Standard
